

Members of Woodsboro Evangelical,

As many of you may have heard, the Women of the ELCA here in Israel's Creek Parish are attempting to purchase and assemble at least 50 health kits for the survivors of the earthquake in Haiti. We have a limited time to accomplish this, which is the reason for the email. Each kit contains prescribed items deemed appropriate by Lutheran World Relief and each kit costs approximately \$10 to purchase. Your Israel Light members of our women's group will do the purchasing, but we are asking for donations to help subsidize the cost. Any donations not used for the health kits will be donated to Lutheran World Relief to provide assistance to the Haitians in other ways that are needed. If you wish to help with this project, please send checks to Women of the ELCA, Israel's Creek Parish, P. O. Box 27, Woodsboro, MD 21798-0027 made out to 'Women of the ELCA'. We will purchase the items for the health kits between today and January 30, 2010. If you wish to help assemble the kits come to Woodsboro Evangelical on Sunday, January 31. Assembly will take place during the 10:00 a.m. Sunday school hour. From there Pastor Dot will take them to where Lutheran World Relief collects items to assist the Haitians and where they will be loaded and shipped.

Thank you for your assistance to help and comfort those who are hurting in Haiti.
