

The Israel's Creek Parish softball team had a very good year in the Frederick Men's Christian Softball League. We finished 2nd in the upper division for the season and we also placed 2nd in the end of season tournament. I would like to thank all of the players that participated this season and special thanks to Dave Hubbard and Jimmy Beard for helping whenever I asked. Our team had approximately 25 players that played this year and all of them were important to our team's success. It is a pleasure for me to coach each and every one of them.

Thanks,
Donald Beall
