The Israels Creek softball team had a very good year! The team finished in first place in the regular season with a 17-1 record. We were rained out 6 times this year. We also won the end of season tournament by going undefeated to give Israels Creek the league championship for the first time since we joined the Frederick Christian Softball League!

I enjoyed coaching all the guys again this year! The team has about 30 players on the roster from Woodsboro and Chapel and also some friends of the church members. We also have several faithful fans that come to cheer us on almost every week! Jack and Barbara Bowlus have rarely missed a game since the team first started, I call them our #1 fans. We have the Facemire fan club, the Stouter fan club, Pastor Dot and many wives and kids that watch us play.

A special thanks to Dave Hubbard for being assistant coach again this year!
